Tina Boyce

"Besides my extreme love and compassion for Figure Skating, I truly enjoy cooking all sorts of different styles of culinary cuisine, from around the world. I'm proud, to have been a small part, in contributing several recipes, for two published cookbooks Figure Skaters Favourite's Volume 1 & 2 I take pleasure in gardening, and growing herbs and vegetables.

I enjoy photography, and the art of painting, although I only have very limited experience in that field. I also take much pride in having assembled all kind of furniture by myself, such as wall units, pantries, dining tables, chairs, beds, dressers and drawers etc. I guess, I can be considered a handyman.

Last but not least, I'm a huge animal lover. I look for the best, in everything and everyone. Always on a mission, to be, and do better for myself, my family and others. To stay positive and to try to look on the bright side of things"
